YOU CAN COUNT ON US! WE'RE HERE TO SUPPORT YOU AND OUR ALUMNI.

p.32

DON'T STRESS OVER APPLICATIONS AND SCHOLARSHIPS. FIND WHAT YOU NEED TO KNOW, RIGHT HERE.

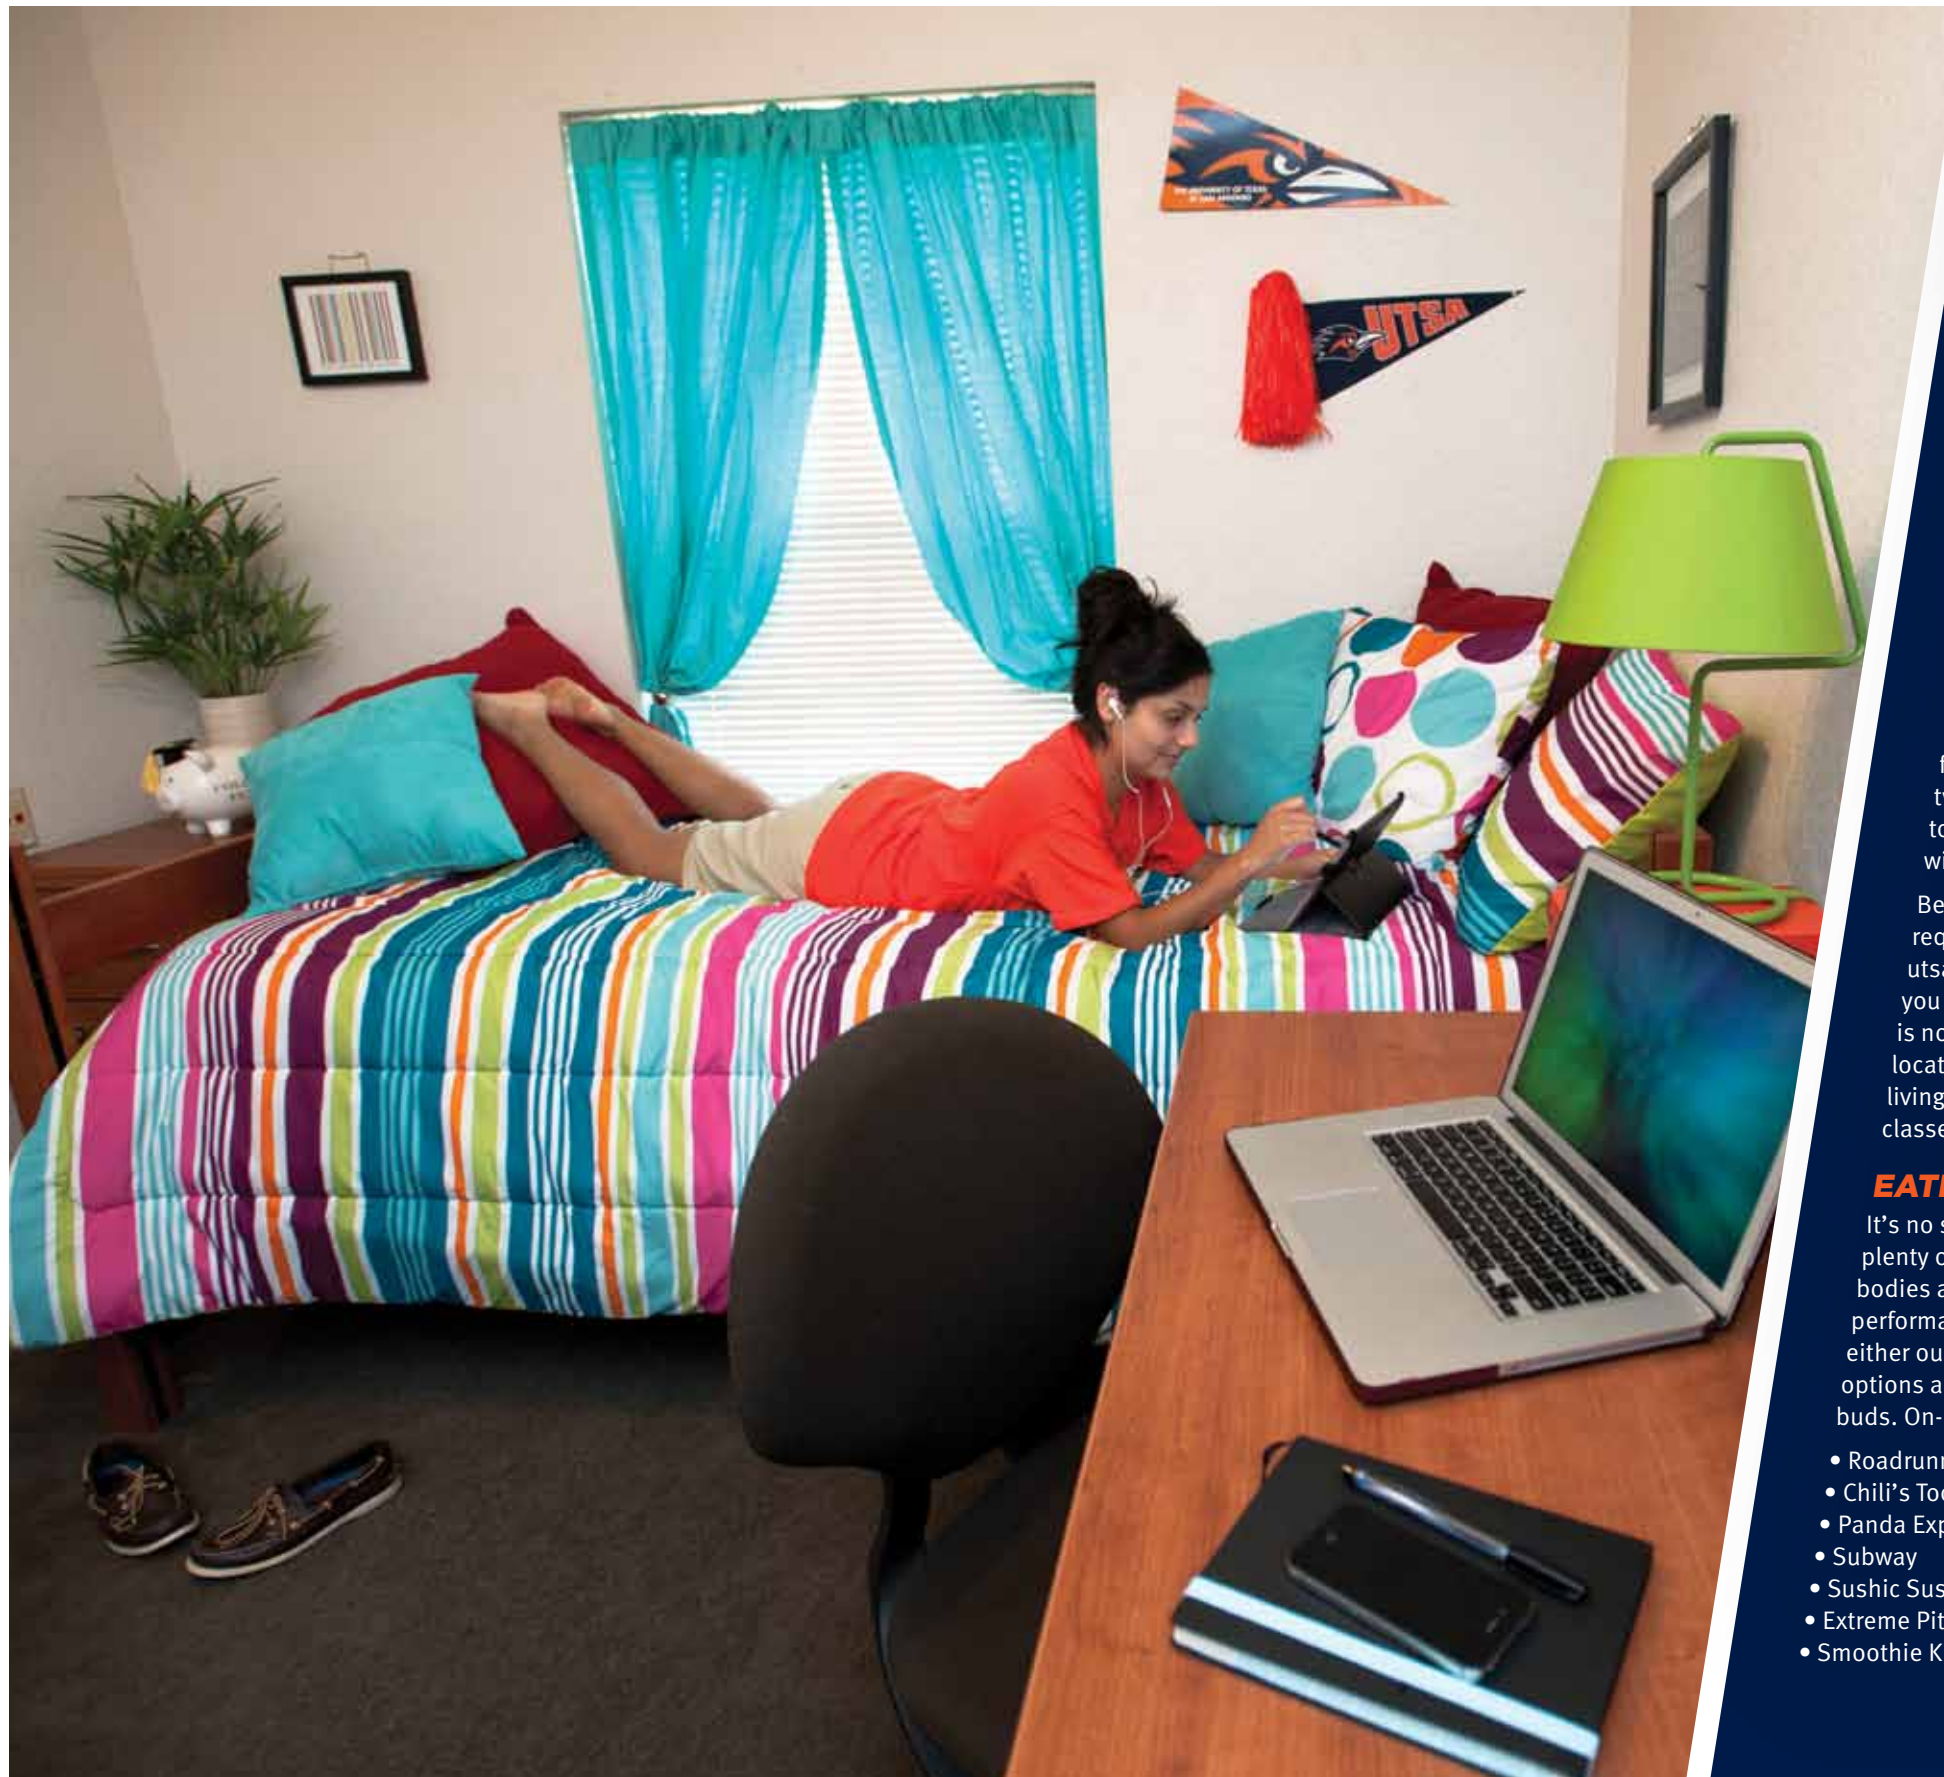

IMAGINE FOR A MOMENT WHAT YOU ENVISION AS "COLLEGE LIFE."

WHAT DO YOU SEE?

Take a walk through campus. Make your way to class in the studio, the laboratory, the recital hall. Afterward, head over to the Rec Center for a climb up the rock wall.

Stop by the library on your way to meet up with friends in the café. Walk through the Sombrilla, then get back for dinner with your roommates. Tonight, you'll need to pack your bags because tomorrow, you'll be en route to a study-abroad adventure of a lifetime.

We are The University of Texas at San Antonio, and this is the place where you can create your college experience just as you imagine it. We are your path to ideas, diversity and culture. This is the place you'll receive a world-class education and develop lifelong friendships. We're on our way to becoming a top-tier university, and this is the place for Division I sports, world-renowned faculty and memories to last forever.

WELCOME HOME

Part of becoming a Roadrunner means feeling at home at UTSA. What better way than to live in the heart of your university. We offer housing and dining options to complete your college experience.

LIVING

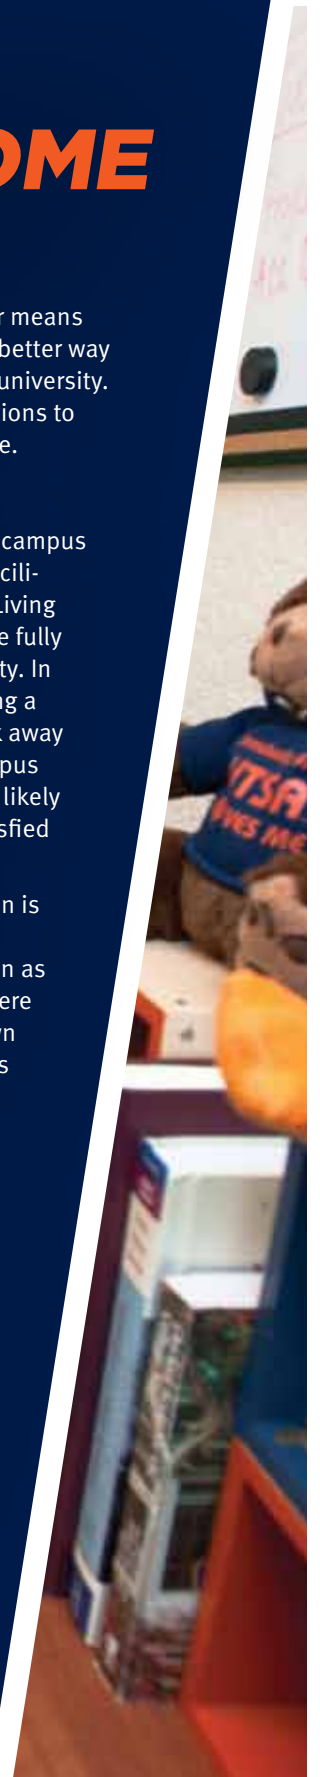

You can live on or off campus. On-campus housing offers a variety of living facilities and comfortable apartments. Living on campus is a great way to become fully engaged with the campus community. In addition to the convenience of having a furnished residence just a short walk away from class, students who live on campus typically earn better grades, are more likely to graduate on time and are more satisfied with their overall college experience.

Because space is limited, an application is required and is available online at utsa.edu/housing. You can apply as soon as you receive your "MyUTSAID." Though there is no on-campus housing at our downtown location, VIA buses will transport students living on Main Campus to their downtown classes for a nominal fee.

EATING

It's no secret that college students need plenty of nourishment to keep their active bodies and brains functioning at peak performance. So no matter where you go on either our Main or Downtown campus, the options are plentiful to satisfy your taste buds. On-campus dining includes:

- Roadrunner Café
- Chili's Too
- Panda Express
- Subway
- Sushic Sushi
- Extreme Pita
- Smoothie King
- Burger King
- Starbucks Coffee
- Chick-fil-A
- Bène Pizzeria
- Einstein Bros. Bagels
- Taco Cabana

ON-CAMPUS HOUSING

SELECT AMENITIES

- club house with wireless internet
- sand volleyball, BBQ grills, basketball court, and three swimming pools
- extended basic cable and Internet included

CHISHOLM: DOUBLE OCCUPANCY, 365 SQ. FT.

UNIVERSITY OAKS: 2 BEDROOM & 2 BATH, 610 SQ.FT.

UNIVERSITY OAKS: 4 BEDROOM & 2 BATH, 873 SQ.FT.

WARM UP COOL OFF KICK BACK

UTSA's Rec Center is one of the largest student recreation centers in Texas. Enjoy a diversion from your studies with more than 300,000 square feet of indoor and outdoor space to explore.

FITNESS

Tighten and tone at our weight rooms and group exercise rooms at either campus. Massage therapy and personal training are also available.

WELLNESS

We offer a number of programs to help alleviate stress, as well as nutrition assessments, fitness assessments, tips for healthy eating habits and health screenings.

OUTDOOR PURSUITS

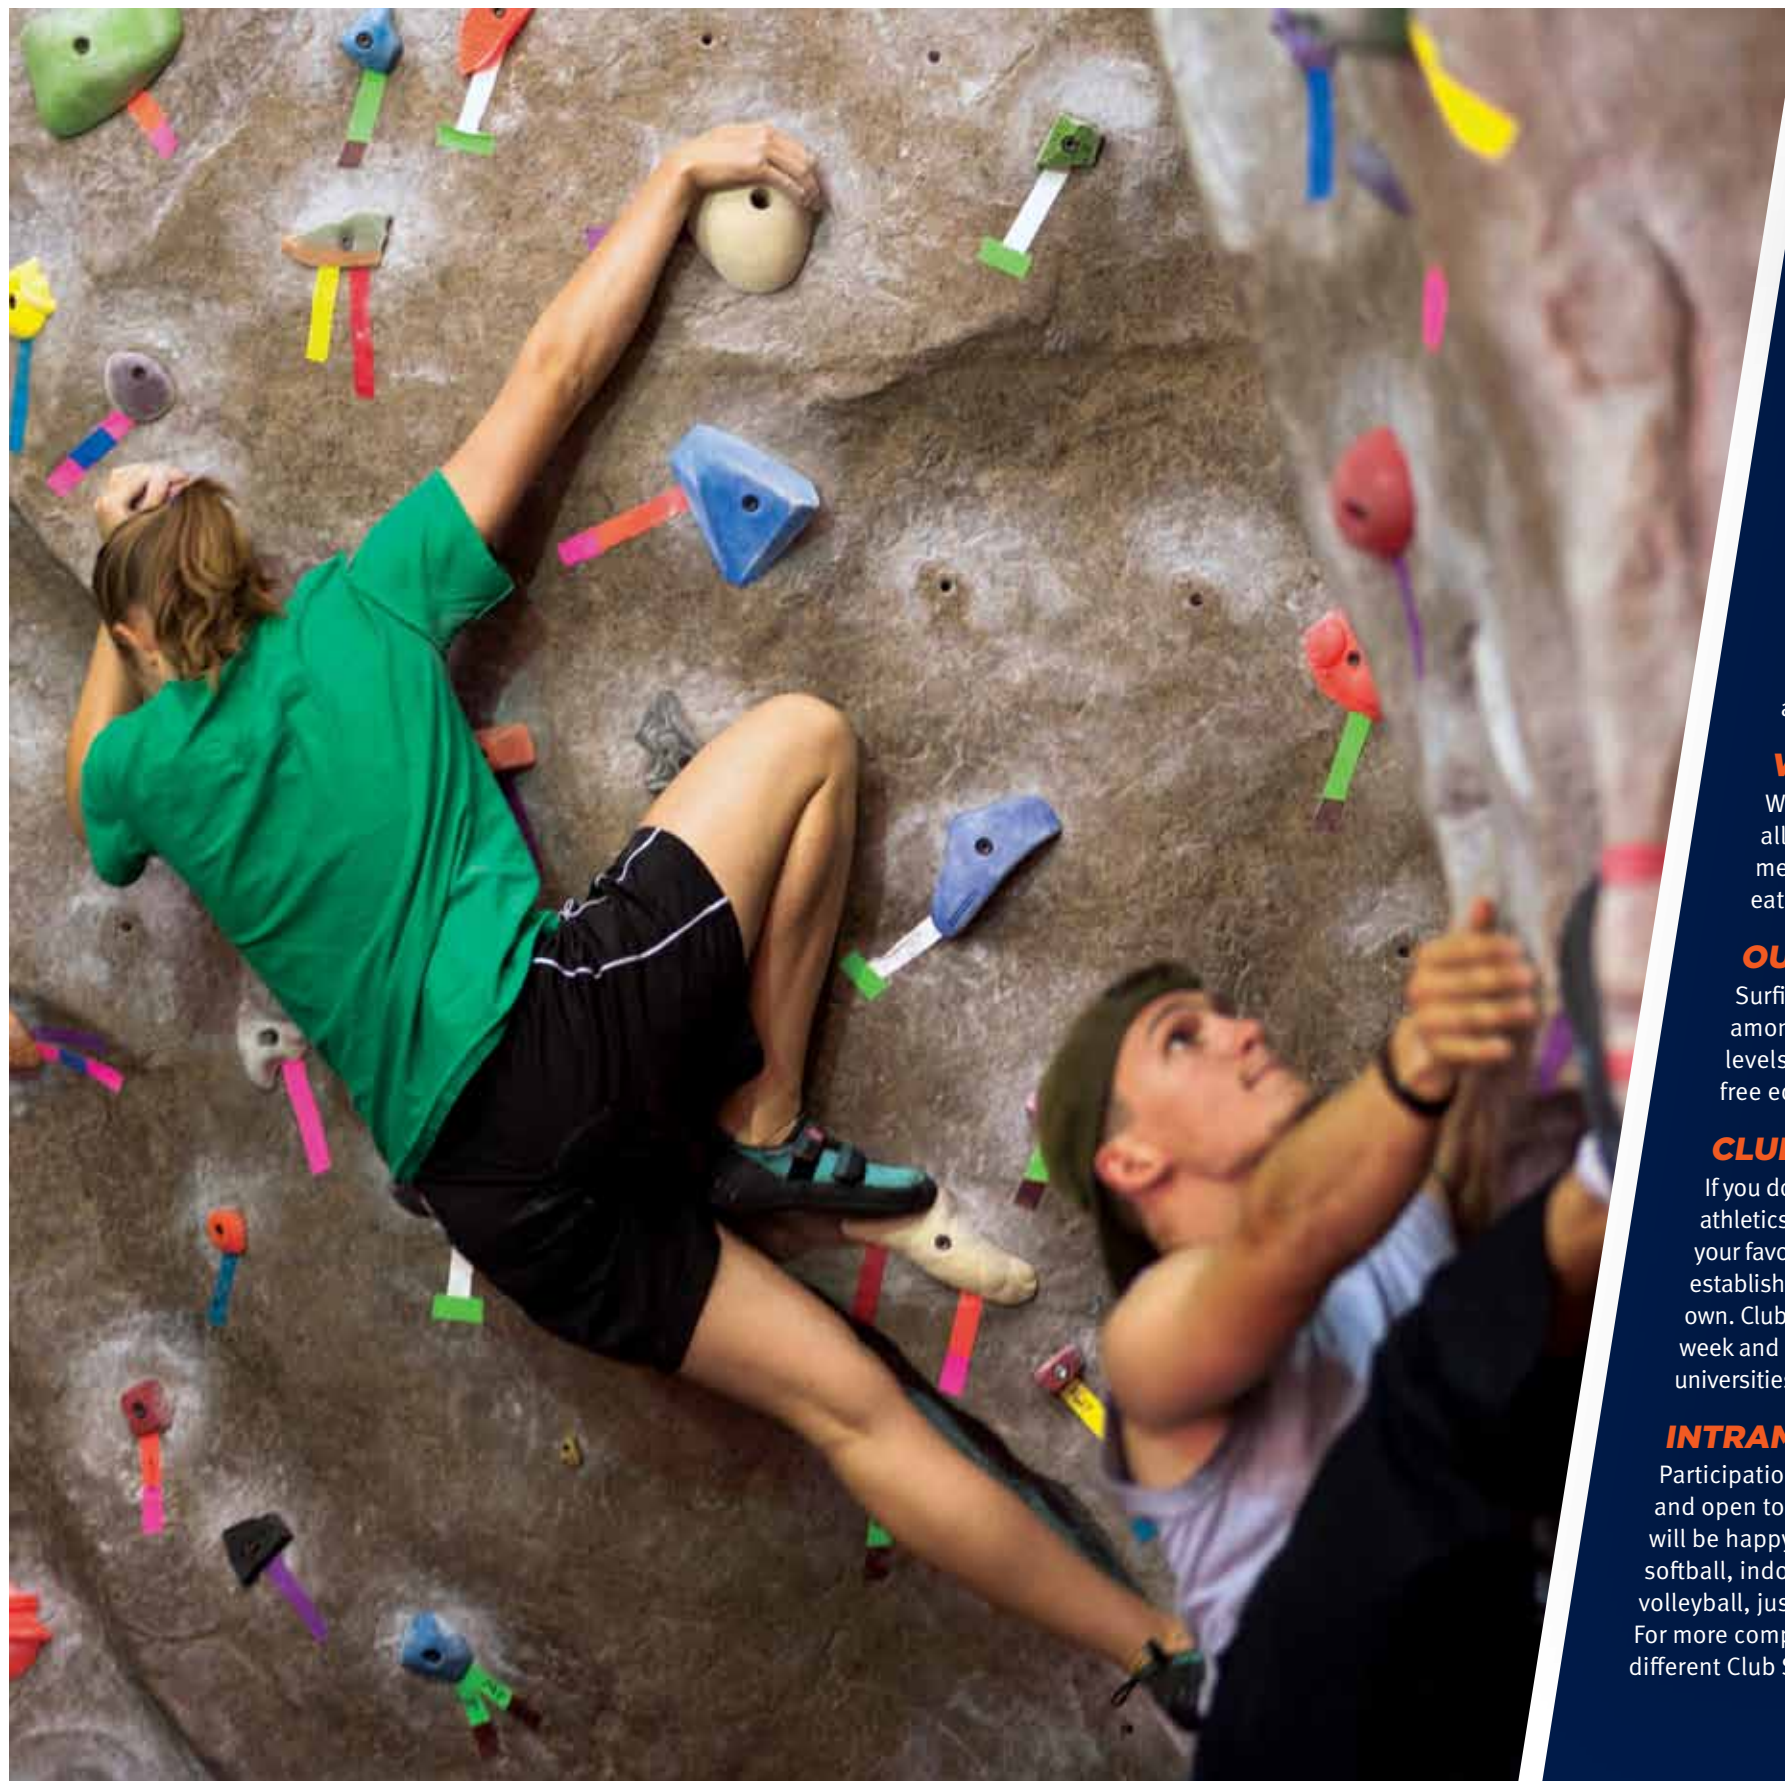

Surfing, backpacking and caving trips, among others, are available for various skill levels around the country. We also offer a free equipment-lending program.

CLUB SPORTS

If you don't want to participate in varsity athletics but want to continue competing in your favorite sport, check out one of the 16 established sport clubs, or form one of your own. Club teams practice several nights a week and compete against other colleges and universities within the region.

INTRAMURAL SPORTS

Participation is free in more than 30 sports and open to players of all skill levels. We will be happy to place students on teams for softball, indoor soccer, flag football or water volleyball, just a few of your many choices. For more competition, join any of over 20 different Club Sports.

BRING OUT YOUR ROWDY SIDE!

When it comes to sports, Roadrunners like getting rowdy to show their school spirit. And you don't have to be just a spectator. Become part of the teams or get involved as a cheerleader or as a member of the band or dance team.

FOOTBALL

Led by national championship coach Larry Coker, the Roadrunners kicked off their inaugural football season in 2011 with new traditions and new records. The first UTSA football game broke the record for the highest-attended game for an NCAA Division I FCS start-up program, and Roadrunners also drew a record-breaking average home attendance for a new football program.

ATHLETICS

Along with UTSA Football, you can cheer on Roadrunner athletes in 16 other sports. We are fierce competitors and have garnered a number of championships for UTSA. UTSA students get in free to all regular season on-campus sporting events and all regular season UTSA Football games at the Alamodome.

SPIRIT OF SAN ANTONIO MARCHING BAND

With the Roadrunner Football season in Fall 2012 comes another great tradition—the UTSA Spirit of San Antonio Marching Band! The marching band is part of UTSA's Athletic Band Program that also includes Athletic Pep Bands, WinterGuard and Drumline.

FIND YOUR FIT

It's easy to get involved. You can join any of more than 280 organizations including academic clubs, social and professional organizations, Greek fraternities and sororities, and special interest groups. Student organizations help plan Homecoming and campus festivals such as Fiesta UTSA, Best Fest, Party on the Paseo and Rowdy Wing Fling.

STUDENT ACTIVITIES

The Office of Student Activities provide UTSA's diverse student population with leadership development, cultural events, campus-wide entertainment events, community service opportunities and annual student recognition programs.

UNIVERSITY CENTER

Known as the UC, the University Center offers a place for recreation and relaxation. Play a game of pool or watch a pro football game on six flat-screen TVs at The Roost. The UC hosts weekly programs such as Coffeehouse concerts and poetry jams, and monthly programs including late night BBQs and hypnotist shows. UCinema Nights feature free screenings of blockbuster hits before they're available on DVD and free popcorn. There's also a bank, hair salon, technology store, mail/copy center and more—making it easy to take care of business and get right back to what's important. So when you're in the mood to hang out with friends—and grab a bite to eat while you're there—head over to the University Center where there's never a dull moment.

NINE PATHS TO SUCCESS

In your pursuit of higher knowledge, UTSA's nine colleges collaborate to provide you with an education that prepares you for any path you choose.

We offer a curriculum that promotes critical thinking and problem solving so that you graduate with the skills and confidence you need in today's knowledge-based economy.

Our professors have earned national and international awards, and their research is improving lives. You'll study with some of the best faculty in the world at UTSA, including Heather Shipley, pictured here teaching in an advanced visualization lab. This lab is used for research to take complex data sets into easily interpretable graphic representations.

Many of our graduates who have studied pre-med or pre-law have been accepted at esteemed medical and law schools, while those who wish to continue their studies in other fields have been accepted at UTSA's Graduate School and other major graduate schools around the country. Others who prepared to enter the workforce have been hired at Fortune 500 companies. We will equip you to define your place in the world—whatever your ambition.

COLLEGES

EACH OF OUR NINE COLLEGES OFFER A WEALTH OF OPTIONS FOR YOUR STUDIES AND WILL PREPARE YOU FOR A SUCCESSFUL CAREER AFTER YOU GRADUATE FROM UTSA.

COLLEGE OF ARCHITECTURE★

UTSA.EDU/COA • 210-458-3010

Imagine designing stunning high-rise complexes, determining how to preserve historic structures, or developing progressive sustainable building practices. Here, your passion for drawing, drafting, and building will make you an active participant in the design, construction, and planning of the built environment. We offer the second-largest college of architecture in Texas, and the Downtown Campus facilitates exploration of San Antonio's design, construction, city planning and cultural traditions. Students engage with industry professionals, conduct research, and implement projects that benefit the local community.

COLLEGE OF BUSINESS

UTSA.EDU/COB • 210-458-4313

Imagine standing on the floor of the New York Stock Exchange with other high-energy traders or launching your own company. This is the place to gain real-world experience and prepare for an exciting career anywhere in the world. We offer the largest undergraduate business school in the UT System and one of the top 40 largest in the nation. We've earned exclusive international accreditation, and our MBA program is ranked in the top 10 nationally by *BusinessWeek*, *HispanicBusiness* and *Princeton Review*.

COLLEGE OF ENGINEERING

UTSA.EDU/COE • 210-458-5526

Imagine landing a job at Microsoft as a project leader for the Xbox 360 team or becoming the next vice chairman for Dell. This is the place where such engineering graduates have learned the skills necessary for these exciting positions. With nationally ranked departments and programs, we are the fastest-growing engineering college in Texas. Design and develop the technology of

tomorrow in our state-of-the-art laboratories and classrooms, such as our \$84 million Applied Engineering and Technology Building.

COLLEGE OF EDUCATION AND HUMAN DEVELOPMENT

UTSA.EDU/COEHD • 210-458-4370

Imagine standing in front of your students, guiding them through the curriculum or helping physical therapy patients overcome pain. This is the place you'll make a difference, whether you educate in the classroom, in a health field, or in the community. We boast a 97 percent pass rate on the Teacher Certification Exams. Our Mobile Health Lab has state-of-the-art equipment students and faculty use to research diabetes, osteoporosis and other diseases.

COLLEGE OF LIBERAL AND FINE ARTS

UTSA.EDU/COLFA • 210-458-4350

Imagine debating with classmates as you consider the finer points of philosophy or the abilities of ancient artists. This is the place where your professors will encourage your self-expression, no matter where your passion lies. We bring together the arts, humanities and social sciences in a fertile learning environment. Our esteemed faculty boasts national and international honors. Flaunt your own research, multimedia projects, art and musical performances at our annual college conference.

COLLEGE OF PUBLIC POLICY★

UTSA.EDU/COPP • 210-458-2530

Imagine testifying in Austin before a Senate Committee, explaining why a change to a law will make Texas safer, healthier or more prosperous. This is the place you'll gain the tools to help our society make important changes. We're housed at the Downtown Campus near many government, law enforcement and nonprofit organizations. Learn to

lead and strengthen nonprofit organizations with our minor in nonprofit management. Secure an internship with one of our 150 partnerships.

COLLEGE OF SCIENCES

UTSA.EDU/COS • 210-458-4450

Imagine studying atoms using the best aberration-corrected microscope at any U.S. university. This is the place to find such exclusive technology, preparing you to become a scientific leader of your generation. We're ranked No. 4 in the U.S. in bachelor's degrees awarded to Hispanic students in biology and No. 3 in mathematics. We offer unparalleled opportunities to perform cutting-edge research. Explore new frontiers, and discover answers to change the future.

HONORS COLLEGE

UTSA.EDU/HONORS • 210-458-4106

Imagine sitting in a class reserved for the most academically talented students on campus, having a focused discussion about your area of study. This is the place you'll find intellectual challenges and enjoy close relationships with your classmates and professors. UTSA's Honors College is competitive, but open to all majors and offers priority registration. We award approximately \$300,000 in honors scholarships annually. We also provide you with opportunities for study abroad, internships and undergraduate research.

UNIVERSITY COLLEGE

UTSA.EDU/SUCCESS • 210-458-5190

Imagine keeping your options open. The University College is the place for undeclared students who want to spend a semester or two exploring their own interests and what the university has to offer. It's also home to students who want to create a customized degree plan to suit their unique career goals through the B.A. in Multidisciplinary Studies. Some pre-majors will start at the University College before joining their intended college.

*offered exclusively at our Downtown Campus

THE VALUE OF YOUR DEGREE

Whether you're planning to continue your studies in graduate school or you already have a job lined up, we at UTSA are proud of all you've accomplished so far.

DREAM JOB

With the hands-on experience you've gained in the classroom, an internship under your belt and a network of professional relationships to rely on, you'll be fully prepared to land a position where you'll be satisfied and successful. UTSA's Career Center will help you find (and follow) your path to wherever you desire to go.

GRADUATE SCHOOL

If you want to continue your studies and take your education to the next level, you'll be ready to enter UTSA's Graduate School or another school anywhere in the country. Entrepreneurs may want to attend our prestigious MBA program; educators may pursue a doctoral degree. Whatever your ambition, you'll be prepared to follow it.

ALUMNI SUCCESS

Our graduates have explored the world far and wide in all kinds of fields. Soon, you'll be one of them, living out your dreams in whichever path you choose. Roadrunners have gone on to own their own businesses and work for Fortune 500 companies. UTSA has helped its alumni achieve those successes, and we'll help you, too.

STUDY & EXPLORE ABROAD

Imagine studying architecture in Italy, flora and fauna in Costa Rica or archaeology in Belize. Discover different people, cultures and educational systems. Make a lifelong friend from Spain or Thailand. This is the place you can broaden your awareness of the world, no matter which major you choose.

Spend a semester overseas to infuse your education with a global perspective. Through one of our exchange agreements, you can study in another country while paying UTSA tuition. About 330 students study abroad each year, living in more than 30 countries. More than 20 faculty members lead programs abroad. UTSA also offers short-term, Maymester and full semester programs.

Working with academic advisors and UTSA's Education Abroad Services department, the chance to experience life in another part of the world can be a reality whether it's on your own or through a faculty-led study abroad. Destinations include but aren't limited to:

- Belize
- China
- England
- Finland
- France
- Germany
- Italy
- Japan
- Mexico

YOUR SUPPORT NETWORK

THE FIRST-YEAR CAN BE A BIG STEP. UNDECIDED ABOUT WHICH MAJOR IS RIGHT FOR YOU? UNSURE ABOUT WHAT PREREQUISITES YOU NEED TO TAKE? NO WORRIES. WE CAN HELP.

TOMÁS RIVERA CENTER FOR STUDENT SUCCESS

Don't worry if you haven't decided which major is right for you. The Tomás Rivera Center for Student Success works with students who are undecided about their major and can help you make your decision. Our academic coaches assist students through programs such as supplemental instruction and free tutoring to ensure you achieve your educational goals.

COLLEGES' FRESHMAN ADVISING CENTER

Though you have a declared major, you may still have many questions. You might be wondering, "How do I know which business class I should take?" or "What prerequisites do I need before next year?" Don't worry—we'll guide you in the right direction.

LEARNING COMMUNITIES & FRESHMAN SEMINAR

The Learning Communities Program helps ease the transition to college. In the fall, first-year students are enrolled in two or three core curriculum classes with the same group of 25 students. Every student in the program will be enrolled in Freshman Seminar, a 3-credit-hour course designed to provide first-year students

with study skills and to ease the transition from high school to college.

LIBRARIES

Imagine having access to a newly renovated library, personalized research assistance, and more than half a million books to complete your class projects. Our reference librarians are available to answer your questions in person or via email, text and IM. Students love the Information Commons with 140 computer workstations and being able to check out a laptop for a class presentation. The John Peace Library is open 24 hours a day on weekdays and offers weekend hours, too—just in case you need to pull an all-nighter.

UNIVERSITY CAREER CENTER

A complete college education includes learning the skills to make solid career decisions. The University Career Center offers guidance as you prepare for life after UTSA. Go on a mock interview, take a skills-training workshop, spruce up your résumé or attend an etiquette dinner. Find informational webinars, job listings and internship possibilities. Students who need some direction regarding their major and career pursuits can take a personal career-planning course.

OPPORTUNITIES FOR EXCELLENCE

YOU'LL BE ABLE TO GET MORE THAN JUST YOUR DEGREE HERE AT UTSA. SEVERAL PROGRAMS ARE AVAILABLE FOR YOU TO EXPLORE AND FIND YOUR PASSION, INCLUDING:

PRE-MED PROGRAM

If you plan to continue your studies in a health profession such as medicine, dentistry, nursing, physical therapy, occupational therapy or pharmacy, our advisers in the Office of Health Professions will ensure you are fulfilling professional school admission requirements. UTSA offers an innovative partnership with the University of Texas Health Science Center at San Antonio to facilitate study for students seeking medical degrees. We'll also provide assistance with the application processes for medical and dental school.

PRE-LAW PROGRAM

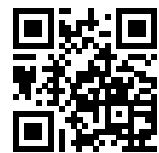

Created as a partnership between UTSA and The University of Texas School of Law, the Institute for Law and Public Affairs (ILPA) prepares upper-level undergraduates for law school or careers in public affairs. The institute's two-year Summer Law School Preparation Academy includes courses in legal technical writing, legal research and writing, law school studies, constitutional analysis, legal and philosophical research, torts, analytical reasoning and LSAT preparation.

ROTC PROGRAMS

Learn invaluable leadership skills and boost your confidence in one of our ROTC programs. The training you receive in either Army or Air Force ROTC is applicable to any career that involves leading, managing and motivating people, or fostering teamwork. Such management experience is useful in the job market even after a military career. ROTC scholarships are available for students who plan to make a post-graduation commitment to the military.

STUDENT LEADERSHIP PROGRAM

Every student has the capacity to serve the community through leadership, so tap into your potential and enhance the strengths you already possess. Through education, engagement and experience, the Student Leadership Center provides opportunities to participate in activities that improve the university and community. No matter where you are in your leadership development, our resources will pave the way for you to become a leader committed to life-long learning, community engagement and active citizenship.

YOUR PATH TO PROFESSIONALISM

DIANA CUERVO

SENIOR, FINANCE

"I'm a finance major at UTSA, and I want to do wealth management in the future. I like helping people's money grow. The classes [in Honors College] are smaller. The professors get to know you better. You get a more personal experience even with 30,000 students."

PEDRO HERNANDEZ

SENIOR, BUSINESS ADMINISTRATION

"The university allowed me to grow. I figured since it was my first time going to a major university, I was going to be completely lost. But with all the services on campus, I started to grow more. I started believing in myself. That was the main thing—believing in myself. Now I'm about to graduate in the fall."

NICCI CAMPBELL

SENIOR, ENGLISH

"As soon as I toured UTSA, I fell in love with it. The campus was so friendly and everything is really close together, and I love the Roadrunner community and the pride. After UTSA, I will have my bachelor's in English with a concentration in professional writing. I want to take that to law school."

CHASE CHAPMAN

SENIOR, MECHANICAL ENGINEERING

"I've always wanted to be a pilot ever since I was a little kid. It's finally within my grasp. After I graduate, I have a for-sure job. I'll be going to pilot training. I honestly couldn't be any happier."

LOREN KORRODI

SENIOR, KINESIOLOGY

"At UTSA, I've learned so much from the professors. They've helped me so much in learning and broadening every aspect of my major. A lot of my courses are very hands on. What I envision for myself is to be working as a physical therapist, working with kids and older adult patients, and going into sports medicine."

RUSTEIN & TRAVIS MERRIWEATHER

SENIORS, MUSIC

"UTSA was a great choice because of the music program. Dr. Hamrick is a well-renowned musician, and he's my personal mentor. I've had the pleasure of working with him. It was a logical choice for the both of us, both being interested in music, to come to UTSA."

APPLYING TO UTSA
FRESHMAN

REQUIREMENTS

Admissions requirements have been designed to identify students who are academically prepared to be successful at UTSA. Offers of admission are valid only for the semester for which the application is submitted.

All students must meet either the school program/curriculum requirements or the SAT/ACT College Readiness Benchmarks of the state’s Uniform Admissions Policy.

SAT or ACT scores are not used to determine admission of applicants ranked in the top 25% of their class, but they must be submitted. Students considered by Committee Review must meet the stated minimum SAT or ACT requirements.

HOW TO APPLY

- 1. Apply online at applytexas.org.
- 2. Pay an application fee of \$60 (starting in Fall 2013).
- 3. Submit your official high school transcript.
- 4. Send your ACT/SAT scores directly from the testing agency:
SAT - Code: 6919
ACT - Code: 4239
- 5. If you took college credit courses, send final official college transcript when available (not required for admission decision).
- 6. If you are graduating early from high school, submit a recommendation letter from your guidance counselor.
- 7. All required documents must be received by the Admissions Office prior to Committee Review.
- 8. An admissions decision will not be made until all required documents are received.

MORE INFORMATION

COLLEGE-SPECIFIC REQUIREMENTS

Several academic areas at UTSA have set standards beyond the university's general admission criteria that must be met to qualify for the chosen major. Those academic areas currently include the College of Architecture, College of Business, College of Engineering, Department of Biology, Department of Communication, and Department of Health and Kinesiology. Students who are admitted to UTSA and who wish to enroll in those colleges or departments but do not yet meet the criteria will undertake coursework to meet additional requirements to qualify for the chosen major before being admitted to the program.

For more information: utsa.edu/ucat

HONORS COLLEGE REQUIREMENTS

Admission to the Honors College is competitive and based on GPA, ACT or SAT scores, an essay and recommendations. To be eligible to apply to the Honors College, first-time freshmen should expect to graduate in the top 10 percent of their class and have a composite SAT critical reading and math score of 1200 or higher or a composite ACT of 27 or higher. Students who meet only the rank or test score requirement may also apply to be considered on a case-by-case basis.

PAYING FOR UTSA

ESTIMATED COSTS

MORE INFO AT [UTSA.EDU/COSTS](https://utsa.edu/costs)

UTSA is well aware of the cost to earn a quality post-secondary education. But UTSA historically is less expensive than many other Texas public universities in major metropolitan areas, including Dallas and Houston. We hope you will agree that enrolling at the university is a wise investment in your future and a doorway to fulfilling your dreams.

The figures below are based on 15 hours per fall and spring semester. Room and board are based on approximate average costs.

- \$8,800 Tuition and Fees (in state)
- \$19,200 Tuition and Fees (out of state)
- \$1,000 Books/Supplies
- \$9,200 Room and Board

FINANCIAL AID

MORE INFO AT [UTSA.EDU/FINAID](https://utsa.edu/finaid)

UTSA'S FAFSA CODE 010115

Financial aid consists of federal, state and institutional funds such as grants, loans, work-study and scholarships. To apply for these funds, you must complete the online Free Application for Federal Student Aid (FAFSA) for the applicable aid year. This must be done each year. UTSA's federal school code is 010115.

The priority deadline to submit your FAFSA for fall applicants is March 15. Typically, grants are awarded first-come, first-served based on the date of a valid (non-rejected) FAFSA submission. Students must be admitted to UTSA to be given a financial aid award. Financial aid is typically awarded for the fall and spring semesters.

We have developed a Financial Aid Outreach program in which financial aid representatives work directly with students and parents to educate them on the affordability of UTSA. Topics and services include financial aid overviews and workshops on how to complete the FAFSA. Visit the Outreach link on our website for a calendar of events in your area. Presentations are offered in English and Spanish.

THE BEST WAY TO LEARN MORE ABOUT UTSA IS TO VISIT THE THREE CAMPUSES.

MAIN CAMPUS

The Main Campus is the hub of UTSA, where Roadrunners discover an exciting community with bustling activity. At the foot of the Texas Hill Country, the Main Campus enjoys a scenic landscape with the conveniences of a major city. Students here can always be found studying for an exam, cheering on the basketball team or playing beach volleyball with friends. With four on-campus residence halls and several apartment complexes within walking distance, the Main Campus is home to nearly 9,000 Roadrunners.

DOWNTOWN CAMPUS

The modern architecture of the Downtown Campus (DT) is a sight to admire as you drive through the heart of San Antonio's vibrant social and cultural scenes. More than 6,000 students take classes here. You can complete all core classes at the Downtown Campus, where you'll find 19 undergraduate, six master's and two doctoral degree programs housed here.

HEMISFAIR PARK CAMPUS

The HemisFair Park Campus is home to the Institute of Texan Cultures (ITC), which hosts exhibits and live performances about the cultural history and traditions of the Lone Star State. As a Smithsonian affiliate, the ITC shares artifacts and educational programs enjoyed by an exclusive group of member museums. The HemisFair Park Campus is directly across from the Alamodome, the 65,000-seat home of Roadrunner Football.
